The Event: The Suncoast Sandpipers Volkssport Club is hosting a 5/10K guided walk from Campbell Park to the Grand Central, Warehouse Arts, and The Edge Districts of St. Petersburg in search of dozens of striking, sometimes thought-provoking, murals.

The walk commemorates recently deceased member Paul VanValkenburg, a volunteer dedicated to Tampa Bay parks, cultural venues and volkssports. All are welcome—pets too, on a leash!

Start Location and Times: Registration is at shelter 10 of Campbell Park starting at 8:30. Walkers can do the walk on their own from 8:30 to 9 and will be given detailed directions. For those who'd like to walk with a group, a guided walk will head out at 9 a.m., with a leader. All walkers must be back by 12 p.m. Walk is rated 1A (easy).

Fees: Walk is free. There is no charge for volkssport credit.

Refreshments: Water and candy will be available at the start and along the way. Carrying water is recommended, as well as the use of sunscreen.
